PRAIRIEVILLE TWP MEETINGS RE: PINE LAKE WEED CONTROL

*****MARK YOUR CALENDARS*****

FOR ~~TUESDAY, OCT 30th~~ AND TUESDAY, NOV 27th

7:30 pm at the Delton High School Auditorium

It is almost over- these meetings are the last.... we need a strong show of support here. Questions are encouraged- and will be answered regarding how the taxation will be handled, what parcels are being taxed, how much it will be, etc.

IF YOU ARE UNABLE TO ATTEND: and wish to show your support, please email your letter to mail to jstoneburner@prairievilletwp-mi.org.

Not everyone gets on Facebook, so let your friends know about the meetings...again we need strong support there to show we want this to go through.

UPDATE - the petitions have been verified in Hastings and we had over 70% of the land mass sign in favor with all of the larger land mass owners signing. We are excited about this and hope that this will lead to a healthier lake in the future. Again, we can't thank all those behind the scenes enough...those who took pictures, did research, walked to lake with petitions, those who signed the petitions, preceded us with work done years ago, and all those that just continued to give us their good wishes. We could not have gotten this far without any of you. Hope to see you at the meetings and have a safe Halloween!
